My sense is that Kevin is who Mike K works with, so he may be higher management in OP, but I'm not sure.

Has Kevin Rennert replaced Bruce Schillo on this project, or is he higher up?

Thanks,

Claudia

Great. Thanks, Carl. I contacted OP (Kevin Rennert) and he told me that Jim Laity out this week, so he is going to reach out to Aaron this morning to check on status, and push to set up a call later this week if needed to move this along.

Mike

**Importance:** High

Mike

Here is what we sent to OMB on Friday. Hopefully, we will hear back from OMB soon. Does

OP regularly check status with OMB on these?

Thanks

Aaron,

Please find attached redline strikeout versions of the draft notice of proposed rulemaking and the RIA that include revisions made thus far in response to additional OMB and interagency review comments, including to revisions to:

# **Ex. 5 - Deliberative Process**

Also attached are clean versions of both documents. Please contact me or Chris Dresser if you have any questions about what is being provided today.

Aaron,

Please find attached a redline strikeout version of the draft notice of proposed rulemaking that includes revisions made thus far in response to additional OMB and interagency review comments, including to revisions to:

## Ex. 5 - Deliberative Process

We are still in the process of updating the notice and the RIA based on additional OMB and interagency review comments with:

## Ex. 5 - Deliberative Process

combustion efficiency).

The attached version of the notice contains comments or highlighting as placeholders for those sections above that we are still working on revising.

Also attached is a summary of historical ozone measurements in the Uinta Basin illustrating the public health issue we are attempting to address.

Please contact me or Chris Dresser if you have any questions about what is being provided today.
